PROFESSIONAL SUMMARY

Robotics and STEM Instructor with hands-on experience teaching robotics, AI, machine learning, and agentic AI systems to students aged 6 to 20, combined with a cloud solutions engineering background (AWS, Azure, CI/CD). Three years as a mentor, having trained 6,000+ students online and delivered offline cohort-based training. Founder of KATS Guru / KATS Services, providing software development, one-to-one technical training, and marketing services. Experienced in designing and delivering structured, hands-on technical curricula for both students and professionals.

CORE SKILLS

- AI / Machine Learning: Python, ML fundamentals, Agentic AI, applied AI curriculum design and delivery
- Cloud & DevOps: AWS, Azure, Oracle Cloud Infrastructure (OCI), CI/CD pipelines, ServiceNow
- Programming: Python, C/C++, Java, Kotlin
- Platforms: Android, iOS, full-stack web development, robotics platforms
- Training & Mentoring: Curriculum design, 1:1 and cohort-based instruction, online and offline delivery

PROFESSIONAL EXPERIENCE

Robotics & STEM Instructor (Level 3) — Moonpreneur *April 2025 – October 2026*

- Taught robotics and STEM to students across the 6 to 20 age group, covering Python, machine learning fundamentals, and agentic AI systems
- Promoted to Level 3 Robotics Instructor within approximately eight months of joining
- Designed and delivered hands-on, project-based technical curriculum for students

Solutions Engineer Intern — MoEngage *August 2024 – December 2024*

- Worked as a Solutions Engineer intern using AWS, Azure, CI/CD pipelines, and ServiceNow
- Supported cloud solutions work and delivered cloud and AI training as part of the role

ENTREPRENEURSHIP

Founder — KATS Guru / KATS Services (katsguru.com) *1 year 3 months — ongoing*

- Provide software development services to freelance and business clients
- Deliver one-to-one technical training across programming, cloud, and AI topics
- Offer marketing services alongside technical consulting
- Delivered Oracle Cloud Infrastructure (OCI) training over a 6-month engagement, including corporate training for enterprise clients, in both cohort-based and one-to-one formats

TEACHING & MENTORING HIGHLIGHTS

- 3 years of experience as a mentor in technical education
- Trained 6,000+ students in online mode
- Delivered offline, in-person training in cohort-based formats
- Taught robotics and STEM to learners aged 6 to 20 at Moonpreneur
- 6-month Oracle Cloud Infrastructure (OCI) training engagement, covering corporate/enterprise training as well as cohort-based and one-to-one instruction

EDUCATION

B.Tech (Hons), Computer Software Engineering — Lovely Professional University, 2021 – 2025
CGPA: 8.8
